OUR COVID-19 RESPONSE

With regards to the COVID-19 pandemic, we believe in being proactive. For this reason, here's what you can expect if you visit our offices:

- Before entering the premises, we ask that you have your temperature read at the security gate.
- With a reading of 37.9 degrees and lower, you will go through our state-of-the-art sanitization booth.
- We social distance, and ask that you do the same.
- If any staff member reports any of the COVID-19 symptoms they are to self-isolate until they can get tested.

Further to this, we sanitize:

- Parcels before taking them to the reception.
- Our offices periodically throughout the day.

We look forward to seeing you and, appreciate both your understanding and co-operation!

Stay safe, and God bless!
